

High Fly

Lyrics:

----

fly in slowmotion  
die in slowmotion

-----

High fly  
Deep down  
Falling  
Touch the ground

High fly

Long cry  
Red blood  
Falling  
Deep mud

High fly

Running  
Stone blind  
Searching  
Can't find

High Fly

High fly  
Deep down  
Falling  
Touch the ground

----

facing the sun  
I wish  
it would rain again
